Dead Reckoning

2021 Pinot Noir - Russian River Valley, Sonoma County

When the wind is in your favor, and life's waves are carrying you forward, the key to happiness is to recognize and appreciate these moments. We named Fairwinds to mark these special times and created our wines for you to 'live in the moment' and celebrate the fair winds and following seas of your journey.

While respecting the precision of modern navigation, mariners of old used the Method of dead reckoning. By taking the time spent on each heading and at each speed they could calculate the route and distance the ship had covered and mark a sea chart. For all the precision of modern winemaking, sometimes there's no substitute for the tried-and-true art of dead reckoning.

We introduce you to Dead Reckoning. From the Russian River Valley AVA of Sonoma County, this beautiful wine is influenced mostly by the fog of the AVA and is very aromatic, with a velvet mouthfeel, and has a fruit character that is ripe and intense.

The brilliant and audacious Admiral Lord Nelson held the telescope to his blind eye and claimed not to see the signal to retreat. He won the battle.

We introduce you to Blind Eye. Our flagship Napa Valley Cabernet Sauvignon is a classic representation of the appellation's preeminent varietal. Notes of black cherry, blackberry and plum are complemented by hits of toasted oak, dried currant and baking spice. Fine-grained tannins and ample brightness on the palate give way to a polished mouthfeel and exceptionally long finish.
